Dear Neighbors,

April 1st is National Census Day! That's because when completing the Census, you will include everyone living in your home on April 1, 2020. While, it's not the deadline for completion, I'm asking for all Censuses to be completed in April!

It is vital everyone living in Prince William County is counted! Please read below to learn more about why it's critical, how to respond, confidentiality, how you can spread the word!

Why Completing the Census is Critical
100's of Billions of Dollars at Stake

The results of the 2020 Census will help determine how hundreds of billions of dollars in federal funding flow into communities every year for things like:

- Hospitals
- Fire Departments
- Schools
- Roads
- Government Representation

By completing the Census you are 'Shaping the Future' of Prince William County.

Not responding will negatively impact our federal funding for essential services for the next 10 years!

How To Complete the Census

It's Fast and Easy

For the first time you can complete the Census online, by phone or through the mail.

**Online**

Responding online is not only the easiest and fastest way - it is safe and secure! In March most households received an invitation to respond in the mail which include detailed information and a Census ID for completing the Census online.

If you can't find your Census ID, you can still complete the census online! Below the ID field, click the link that says, “If you do not have a Census ID, click here.”

Please note, once you start the Census, if you leave it before finishing you will have to start over.

**Phone**

To respond by phone in English call 844-330-2020. For language specific phone numbers visit 2020 Census Contact Us.
Mail
To respond through the mail using a paper form visit 2020 Census Responding By Mail.

What About...

- **Non-citizens:** Everyone living in the county is counted, including non-citizens
- **College Students:** They are counted at their usual on- or off-campus residence, even if they are home early this spring because of the COVID-19 situation
- **Babies:** All babies born on or before April 1, 2020 are counted
