Prince William County to Host Route 28 Bypass Project Virtual Meeting on Thursday, Feb. 18

PRINCE WILLIAM COUNTY, VA – [Prince William County](#) invites you to attend a virtual information session regarding the [Route 28 Bypass project](#) on Thursday, Feb. 18, 2021, at 7:00 p.m. This approximately \$300 million infrastructure project, one of the largest in the history of Prince William County, will reduce traffic congestion, improve travel reliability and address other transportation challenges in the area.

The meeting will inform residents about the project's background, its current status and aspects of the Route 28 Bypass that most directly impact Prince William County residents. While there are no major updates on the project at this time, the session will provide a baseline of information about the Route 28 Bypass while also sharing planned communication activities that will help citizens remain informed and involved as the project moves forward. The latest information about the project is available on [Route28Bypass.com](#).

The [Prince William County Department of Transportation](#) (PWC DOT) will continue to host information sessions on the Route 28 Bypass project and address topics specific to Prince William County as the project progresses.

The public is invited to ask questions and provide feedback during the presentation. You may also submit questions or comments before using any of the mechanisms below.
